CONSTITUTIONAL LITIGATION SEMINAR

There are 7 items in this package for purchase, facts of the Respondents and Intervenor in the Sunday closing case. You should already have the A.G. Ontario factum on the appeal.

The judgment of Southey J. is contained in the A.G. Ontario "Motion Book" on the stay application, which you should have already purchased from the casebook room as well. Included in the new bundle of materials are copies of the statutes that I discussed in class.

The guests for the next class, Oct. 2nd, are the lawyers representing the Respondents and Intervenor. Please come prepared to discuss the case from the point of view of litigation skills and strategies, the oral argument as well as substantive legal points.

The oral argument has been very interesting. I hope that you will take the opportunity to catch more of it.

Please get your practicum questionnaires back to me as soon as possible.

Prof. L. Weinrib
